

North East Wales F.A.

SUSPENDED from start of 2018/19

Updated 18th April 2019

The following still have outstanding Suspensions to serve with NEWFA that were not carried out last season. The "type" indicates whether they are suspended from Saturday or SUNDAY football only. Please be aware that if they are on the list of players who have not paid Fines on separate pages of this website, then they remain suspended from all Football UNTIL those monies are paid.

Club Secretaries please note: when they register a player from the list below, for 2017/18, they *must* inform the NEWFA Disciplinary Secretary of the games the player will miss to complete their Suspension.
